## These 5 Cities Just Upped Their Hotel Game

by CNT EDITORS

*We all know those cities, or neighborhoods within cities, with **world-class food** or design scenes but whose hotels haven't quite caught up. This year, a few properties are turning those historically hotel-challenged destinations into full-on hot spots. View the full lineup of this year's **Hot List**.*

### Proper Hotel San Francisco →

\$\$ |  HOT LIST 2018

Probably the hippest hotel in San Francisco right now, the Proper Hotel also is one of its newest—and it's making its mark quickly. With vibrant designs by Kelly Wearstler, a crazy-popular rooftop bar, and OTT amenities like in-room vitamin boost shots "administered by local VIP doctors" (seriously), this is a trend-setting traveler's ideal hotel.
