The HOTELS Issue

The beauty of waking up
somewhere new, on the other
side of the earth

The T+L

Selecting the right accommodations can make or break a trip. That's why every year we put together the T+L 500, a directory of your favorite properties around the globe. From the concierge who shares priceless local insights to the floating breakfast in your private pool, this collection of hotels can deliver it all. The best part? You, our readers, picked them all: when you vote in the annual World's Best Awards survey, the 500 highest scorers make up this prestigious list.
