ORGANIC TEA SELECTION

LEAVES AND FLOWERS

Leaves and Flowers is a California based tea company offering a unique selection of handcrafted botanical infusions and premium small batch teas. All infusions and teas are loose leaf and sustainably grown and harvested.

BOTANICAL

IKEBANA

FLORAL • PEPPERY • SWEET

Named after the Japanese art of flower arrangement, Ikebana is a true summer bouquet. It is composed of our favorite California flowers, and though delicate, it has an elegant structure and body that persists with multiple steepings.

TROPIC GARDEN

TART • CURRANT • MULLED WINE

Hibiscus and lemongrass come together with star anise to create a flavor reminiscent of spiced mulled wine.

MINTHA

FRESH • SWEET • UPLIFTING

In Greek mythology, Mintha was a Naiad nymph beloved by Hades. When she claimed to be superior to Hades wife, the angry goddess turned her into what we know as the mint plant.

BLACK

GOLDEN HORSE

HONEY • CARAMEL • CRÈME BRULÉE

A soft and smooth black tea with natural lingering sweetness. Golden Horse is a single pluck, spring tea from Yunnan. The leaves have a beautiful coppery color and infuse into an amber hued liquor.

CHAI ASSAM

RICH • SPICY • SWEET

Small beads of bold Assam are blended with potent and aromatic spices.

DEEP BREAKFAST

BOLD • TANNIC • BALANCED

Our strongest black tea - a blend of Chinese and Indian black single origin teas. This breakfast tea is deep and rich, just what you want to start your day. A very strong brew that lends itself well to milk or cream, and a biscuit.

GREEN

YIN HAO JASMINE

SWEET • SMOOTH • FRAGRANT

The fresh jasmine blossoms are scattered over the tea leaves in such a way that the tea absorbs the aromatics of the flowers.

HOJICHA

TOASTED • NUTTY • CARAMEL

A hand roasted Japanese green tea that contains both stems and leaves. This tea is humble in character, yet soothing and satisfying in flavor. Earthy, sweet, and mild. The perfect accompaniment with or after a meal.

WHITE

WARM WIND

WHIPPED CREAM • ASIAN PEAR • SPRING GREENS

This special white tea made from a large leaf varietal in Jinggu, Yunnan. The leaves are picked in early spring, wilted slightly, then put on drying beds where warm wind is tunneled through to complete the drying process. The young leaves have delicate, sweet flavor, but as the tea ages it will develop malty notes and more body.
