BLACK

LORD BERGAMOT

MALT • HONEY • CITRUS

A flavor somewhat superior to traditional Earl Grey. Fragrant Ceylon Dimbula and Uva are artfully combined with select teas from India's Assam Valley, then scented with bergamot oil from Reggio Calabria, Italy. Excellent for drinking whenever you wish to feel like royalty.

BRITISH BRUNCH

MALT • HONEY • MINERAL

Our quintessential tea for breakfast and beyond. An eye-opening blend of full-boiled, rich and malty Indian Assam teas, paired with succulent Ceylon Dimbula and a touch of smoky Chinese Keemin from Anhui. The taste is dense, robust and delicious, with or without milk.

GREEN

GENMAICHA

RICH • TOASTED • PECAN

A popular and traditional Japanese tea composed of high-grade Sencha leaves and puffed brown rice. The Sencha is a first flush harvest from Kagoshima Prefecture, and the organic brown rice is cultivated in Hokkaido. Genmaicha is one of our favorite breakfast or afternoon teas and equally pleasing hot or iced.

GREEN TWIST

ALMOND • HEART OF PALM • MEYER LEMON LEAF

Green Twist is grown on Wangzi Mountain in Ning'Er County of Simao. This year the tea was harvested in early March due to the mild sunny winter. This classic Yunnan green tea is plucked with one leaf and bud combinations that are then rolled together. The leaves are expertly processed in small batches to retain a fresh taste with nutty undertones and a thick mouthfeel. This tea is incredibly life-giving and able to be infused up to eight times.

JASMINE SILVER TIP

JASMINE • STEAMED GREEN • BROWN SUGAR

Delicate, tender green tea leaves from China's Fujian Province are harvested each May and fired to maintain their flavor then placed amid just-picked jasmine buds, which open slowly to share their fragrance. Many call it the perfect marriage.

BOTANICAL

CAFFEINE FREE

IKEBANA

FLORAL • PEPPERY • SWEET

Named after the Japanese art of flower arrangement, Ikebana is a true summer bouquet. It is composed of our favourite California flowers, and though delicate, it has an elegant structure and body that persists with multiple steepings.

MEADOW

CHAMOMILE • APPLE • HONEY

A caffeine free blend of plump, hand-picked golden chamomile flowers, mildly stimulating and fragrant hyssop, a flavorful herb used to improve one's focus. Add the smooth taste of Cape rooibos, a bit of lemon myrtle, rose petals and linden flowers, and you may want a sun hat.

TROPIC GARDEN

LYCHEE • CITRUS • PEPPERY

Lemongrass and Hibiscus are two of our favourite flavors, especially when used in combination. While this blend makes the most refreshing, flavorful, juicy iced tea, it's also the perfect blend for an uplifting, tart hot infusion. Anise Hyssop Lavender and Tulsi bring delicate floral, herbaceous notes that balance the more punchy Hibiscus. Lemongrass and Cardamom add warm spice notes, and a touch of Stevia Leaf gives the perfect sweetness to this unique and delicious blend, making it a perfect all-season offering.
