

Across our Santa Monica Proper dining destinations we're dedicated to supporting both a healthy lifestyle & the work of California farms, purveyors, and fisheries. Our menus spotlight quality-driven, seasonal, and organic ingredients—focusing on produce from local farmers' markets, humanely-raised & grass-fed meat, and sustainable seafood sourced through a partnership with the Monterey Bay Aquarium Seafood Watch Program.

We are 100% seed oil-free. We cook only with non-seed oils like avocado and olive, and our fryers use Zero Acre oil, made from fermented Noli fruit
